WINDOW TRIM, TRIMBOARD AND SIDING CORNER

Trim product lines that blend beautifully with every material and work for any project.

Details that transform homes and durability that defies time. When you're ready to build,

you need more than marketing claims.

You need the real deal.

ROYAL® SHEET BOARD, RAILING COMPONENTS, WINDOW & DOOR MOULDING

WE'LL HELP YOU KEEP YOUR PROMISES.

When it comes to building, remodeling and installing, all the details are important. We're ready when pros are, because we listen, learn and push the art and science of trim and moulding forward—making sure our product innovations anticipate and reflect what homeowners demand.

The result is getting our 100% cellular PVC trim products, components and features right, and you giving your customers the look they want—with maximum satisfaction and minimal maintenance. It's the difference between projects that are almost done and fully finished.

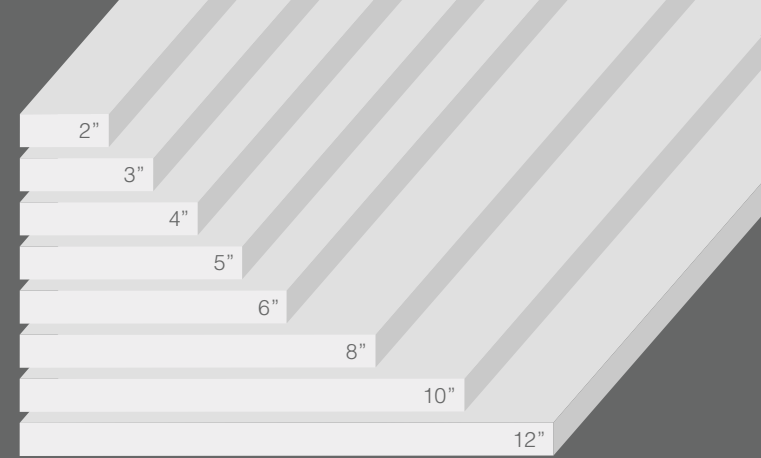

CONCEAL™ TRIM AND BEADBOARD

Royal® S4S Trimboard™

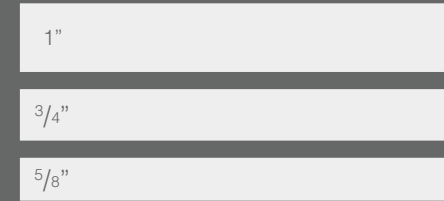

SMOOTH,
VERSATILE,
DURABLE.
FROM ALL SIDES.

Royal® S4S Trimboard™ makes virtually every build and remodel job a done deal. Its closed cell surface shrugs off dirt, while “true square” edges result in clean installations. It’s engineered with a Celuka-hybrid process that enhances durability. All in all, a compelling and architecturally correct way to embellish on, or completely transform, a homeowner’s exterior.

MULTIPLE WIDTHS

MULTIPLE THICKNESSES

Royal® SurEdge™ Trimboard

SQUARE EDGES.
SHARP LOOKS.

SurEdge™ Trimboard gives you the ability to precisely define what your customers want to achieve with their homes, while keeping installs clean and tight. You can thank its crisp corners, low-maintenance 100% cellular PVC material and ability to complement a range of home styles—from Ranch to Colonial to Craftsman.

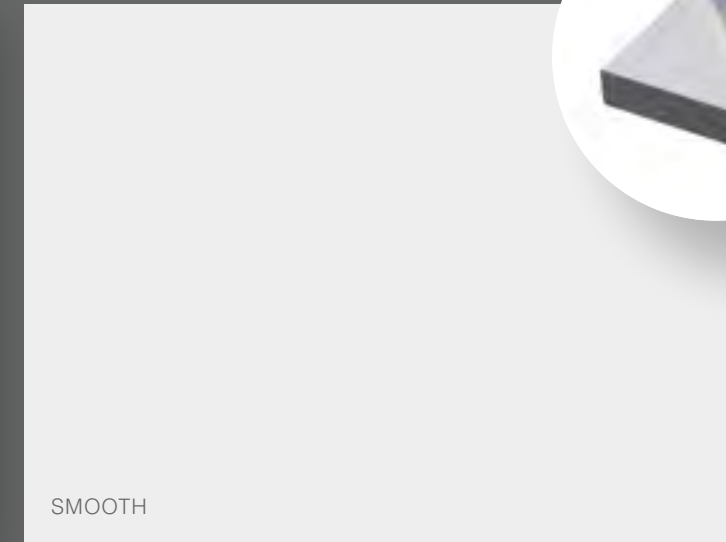

SUREEDGE™ TRIMBOARD

SurEdge™ Trimboard is available in two finishes:

Royal® Conceal™ Trim System

IT HAS VIRTUALLY EVERY SIDING COVERED.

The Royal® Conceal™ Trim System reveals itself as one of the best ways to complement virtually every kind of material, including Royal siding, of course. Its clean installs and architectural appeal make pros happy. And it rewards homeowners who appreciate long-lasting design statements that come with very little maintenance.

Nickel Gap, Shiplap, Beadboard & Wainscoting

OLD WORLD CHARM.
PVC TECH.

Introduce magnetic charm indoors and out, with Royal® Nickel Gap, Shiplap, Beadboard and Wainscoting trim. Our nickel gap or shiplap can give homeowners an entryway focal point or compelling living room feature, whether positioned in a traditional horizontal or a more contemporary vertical direction. Our beadboard lends sophistication to ceiling trim and crown moulding. And our wainscoting can add warmth to any room or hallway. What they all have in common: they're engineered to last with minimum upkeep.

ROYAL® 8" NICKEL GAP AND SHIPLAP

Column Wraps

PRESENTING: THE PORCH

With their unique character and dimension, our column wraps, preassembled capitals and base kits give homeowners a unique way to magnify their curb appeal. They come in three distinctive styles—well-ornamented Traditional, purposeful Craftsman and contemporary Contractor.

All are virtually maintenance free and easy to install with standard tools.

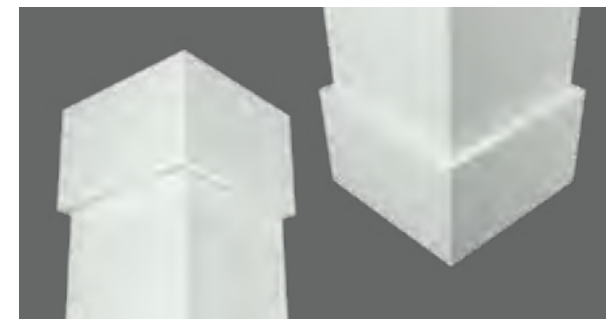

COLUMN WRAPS

Profile	Inside Dimension	Outside Dimension	Height	
			8'6"	10'
9807	3 3/4" x 3 3/4"	4 3/4" x 4 3/4"	•	•
9811	5 3/4" x 5 3/4"	6 3/4" x 6 3/4"	•	•
9815	8 1/2" x 8 1/2"	9 1/2" x 9 1/2"	•	•
9829	10 1/4" x 10 1/4"	11 1/4" x 11 1/4"	•	•

Contractor

Simple, unadorned lines complement the architecture of contemporary homes and siding styles.

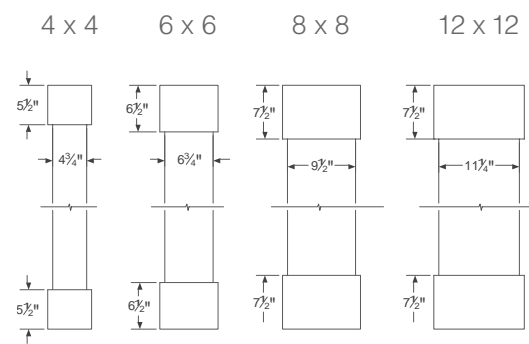

Traditional

A more ornate and "dressed" approach fits more traditional home styles, like the Colonial.

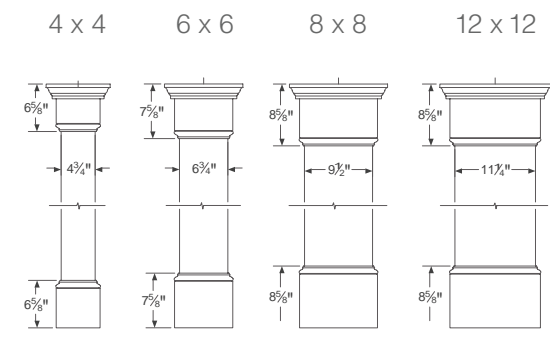

Craftsman

Straightforward and purposeful, this style perfectly matches the sturdy, practical impression of Craftsman-style homes.

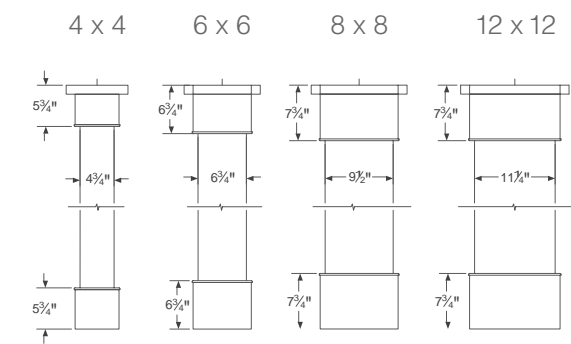

COLUMN CAP/BASE SET

Garage Door Trim System

DESIGNED TO PROTECT AND PROJECT.

The Royal® Garage Door Trim System is engineered to separate garage interiors from dirt, bugs, wind, snow and water. Every component—brick mould, jamb and Uniflex™ garage door stop, which accommodates top and side mount applications—is designed to match virtually every garage style and color. It's all made from low-maintenance PVC.

GARAGE DOOR THERMOSTOP TOP COLORS

We frequently update our palette to match the latest color trends. Here's a sampling of our most popular ones.

Minimum order quantities required. Speak with customer service for more details.

Window & Door Moulding

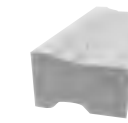

OUR FRAMING IS FORMIDABLE.

Window and door moulding has one job to do: look amazing for a very long time. Our components come in styles that match virtually every style of home, door and window. And because it's available in 100% cellular PVC, it protects against termites, moisture and extreme weather conditions, while demanding very little maintenance from homeowners.

"RM" designation identical or similar to WM® Series Patterns.

Some RM Series non-stocking.

Royal® Building Products exists for one reason: to push the limits of what every type of exterior can be. We strive for best-in-class manufacturing and industry-leading innovation. What drives us? Every homeowner who demands exteriors that add value, perform impeccably, look amazing and make their lives easier. Our goal is to bring more products, more styles, more technology, more design insight and more sustainable solutions to the attention of everyone who cares about creating the best exterior possible.
